CMP FOWLER V. ZONDERVAN PUBLISHING
HOUSE (JTC)

V.

Defendant(s)

Zondervan Publishing House
Corp. LLC

COMPLAINT

Plaintiff Bradley Lashawn Fowler brings this civil complaint against Zondervan Publishing House, a Grand Rapids, MI. based company, on the grounds of Malicious Negligence, Breach of Duty, Duty of Care, Intentional Torts, Malice, Strict Liability, and violating my civil right according to the U.S. Constitution, 14th Amendment.

After purchasing a New King James Bible, published by Zondervan Publishing, in an effort to gain better clarity concerning my religious beliefs and homosexual preference, I was dismayed to find that the Bible purchased had excluded the terminology -homosexual- from its text. Yet when I began researching other Bibles published by the same publishing company (Zondervan), I discovered Zondervan had revised its text and implemented the terminology -homosexual- in its 1982 & 1987 editions, but the term had been expurgated from their 1989 & 1994 editions, and written completely opposite of one another.

In the 1989 edition it reads: I Corinthians 6:9 " Do you not know that the wrong does will not inherit the Kingdom of God? Do not be deceived! Fornicators, idolaters, adulterers, male prostitutes, sodomites... "

The 1982 edition reads: I Corinthians 6:9 " Do you not know that the wicked will not inherit the Kingdom of God? Do not be deceived: Neither the sexually immoral nor idolaters nor adulterers nor male prostitutes nor homosexual offenders... "

In their 1987 edition it reads: I Corinthians 6:9 "Do you not know that the unrighteous and wrongdoers will not inherit or have any share in the Kingdom of God? Do not be deceived (misled): neither the impure and immoral, nor idolaters, nor adulterers, nor those who participate in homosexual ..."

Yet in the 1994 edition it reads: "Know ye not that the unrighteous shall not inherit the Kingdom of God? Be not deceived: neither fornicators, nor idolaters, nor adulterers, nor effeminate, nor abusers of themselves with mankind."

This misrepresentation is a willful and deliberate tort. Fraudulently imposing a written defamation or libel, in order to prevent me from marrying someone of the same sex in this state. This obvious coerced method of mind control and social dictatorship violates the religious sacred laws which prevent anyone from adding to the Biblical scriptures or from taking out words away from the text.

Facts:

Zondervan Publishing House was established in 1931 and is presently mastered by HarperCollins and Bruce Ryskamp who is the Chief Executive. According to Zondervan Publishing House mission statement, they are a company that strives to ensure continued success in serving its customers. They also profess to protect and serve their customers by holding themselves accountable to these mission and shared values.

Yet in filing copyright dates for each Bible edition printed, and understanding that any work filed with a copyright date of 1978 and beyond has a protection bill for 50 or more years or at least until Dec. 31, 2027.

Considering that in 1989 Zondervan filed a copyright on their New Revised Standard Version Holy Bible, yet neglected to inform its consumers and readers that such revisions would be revised to reflect an opinionated perspective. In I Corinthians 6:9 which in this particular edition did not defame homosexuals. Then, they turned in another copyright form in 1982 for their New International Version Bible, which includes the written defamation towards homosexuals; it seems this obvious intentional tort was imposed with a willful intention to cause injury to persons, myself, who are homosexual.

Page 3

Considering a willful and wanton act is an act understood as likely to cause injury and committed without concern for the consequences, particularly those which may endanger the lives or safety of others. This includes malice - considering the state of mind of those who willfully agreed to incorporate such terminology based on opinionated idea, ~~there~~ shows an act of deliberation to set out and cause injury to persons of a homosexual nature or male or male intimacy, without due cause and without regard to the legal rights of those who are heterosexual.

Any act deliberately intended to cause damage, loss, or pain and suffering of a person is malicious injury. This can also be classified as fraud or deceit by misrepresentation to deliberately impose false statements or material facts. This willful use of false statements to damage another person's character or reputation, or to adversely affect a person's means of earning a living falls under both libel and slander.

This willful neglect and unintentional tort also proves Zonderen has failed to act in accordance with the law, commonly known as an omission. This also falls under negligence, which is typically defined as a failure to act that results in injury to another person.

It is also a Breach of Duty, negligence in law or negligence per se, willful negligence, defined as reckless indifference towards a ~~person's~~ person's safety, demonstrated by the failure to exercise ordinary care to prevent injury in the face of imminent danger and gross negligence - defined as intentionally acting or failing to act with a deliberate disregard for the welfare of others, as well as, culpable negligence, defined as the willful and wanton creation of an unreasonable risk that will probably cause death or injury to another person.

In this case, I must provide evidence that loss, harm, or pain and suffering was caused by Zonderen Publishing's negligence, the doctrine of res ipsa loquitur, a latin term meaning "the thing speaks for itself" which is proof of my sustained harm, pain and suffering, and emotional distress, caused by an act that normally would not have occurred unless Zonderen willfully incorporated the terminology "homosexual" in its text...

and by promoting such to be the authentic word of God. This malicious conspiracy has prevented me from sleeping at night, anxiety (which caused me to endure breathing treatments at a medical facility), loss of appetite, self-esteem, and the ability to reestablish my family bond, because my family says "homosexuality is a sin because the Bible says it is." Zondervan Publishing caused this foreseeable injury, since it is a nationally recognized and worldly distributed publisher of Bibles. This is not only a fraudulent act imposed against me, but on society as a whole.

This tortious act initiated an avalanche of emotional and mental embarrassment, demoralization, chaos, bewilderment, and perplexities. This has caused me physical discomfort and prevented me from maintaining a normal intake of the proper nutrients and vitamins needed to sustain good health, as a chronically ill patient.

Background: Zondervan Publishing House knowingly implemented the term-homosexual- to its 1982 and 1987 new edition Bibles. Yet elected to revise that text and remove the text from its 1994 edition. Ironically, the 1989 edition didn't include the term either. Still, Zondervan Publishing neglected to inform the general public of these changes.

Discussion:

Willfully and intentionally designing a religious sacred document to reflect an individual opinion or a groups conclusion, based up modern theology, derived by scholarly men and Bible publishers, editors, copy editors, and formatters, with an intent to cause me or anyone who is a homosexual to endure verbal abuse, discrimination, episodes of hate, and physical violence ... including murder, defile sacred Biblical laws. The same structured laws that has held the very foundation of Americas religious ethics and morals.

Zonderman did not take into account the considerable amount of retaliation I would receive from my family, friends, co-workers, church members, or general society. Publicizing these fraudulent revised versions of misrepresented biblical interpretations ... or as being the authentic word of God. This in-itself is misleading and a willful act of coercion.

Countless of lives have been destroyed, misused, and misunderstood solely by the written defamations imposed upon homosexuals, through the structured words compiled and distributed for financial gain. This immoral and deceitful act has helped to cultivate a social society that discriminates against homosexuals solely based on the Bible. The same Book being revised every other year or so by Zonderman Publishing House.

Selling merchandise which promotes fraudulent opinions upon the general public can also be classified as a strict liability. Whereas the deliberate intent to cause injury by the sale and use of the product, promoting it to be the Word of God can also be considered a defective designed product.

See: *Clayton Mfg. 88 F. 3d. at 359-60 (Quoting Transp. Ins. Co. v. Fairclark, 898 S. W. 2d. 269 (Tex. 1995)* - an expression of an opinion as to the happening of a future event may constitute fraud where the speaker purports to have special knowledge of facts that will occur or exist in the future. See *Crawley v. Christensen, 137 U.S. 86, 89*

My Prayer:

I seek injunctive relief, rescission, compensation in the monetary amount of sixty million dollars, general damages, exemplary or punitive damages and the cost of suit. This representation of fraud imposed by Zanderuz Publishing has placed grave conditions on my ability to live a happy and stress free life as a homosexual. Blatant discrimination requires legal resolutions.
